Subject: Follow-up to Evaluation Effort Email

There appears to be some confusion regarding what the random assignment evaluation in 2011-12 means for the 2011-12 application and enrollment process.

To be absolutely clear:

DO continue to take applications for 2011-12

DO determine if a child is eligible for enrollment in 2011-12

DO NOT make any representations, promises or indicate in any way whether a child will actually be enrolled in 2011-2012.

WAIT until you hear from the Office of Early Learning regarding how selection from pools of eligible children will proceed for the 2011-12 year. This advice will come after June 1, 2010, i.e. after the 2011-13 budget is signed into law.

Regards
